History Table

Date Submitted: 11/20/20	Date Revised: No Revision
--------------------------	---------------------------

M3 Summary and Tasks to do

All Pages

- Add CSC 648-03 Team 2 on the top, above the search bar on all pages
- Makes sure all nav bars look the same

HOME PAGE

- Review permission to use the video on Home page
 - Replace with a “Welcome to The Gator Store”.
- Add some static text to describe the purpose of the website
- Reduce the spaces in between the category Boxes
- Make the page smaller to reduce the need of scrolling
- Google analytics

SEARCH PAGE

- Search & Category needs to be persistent
- On the top left, list the number of items found
- Make all items cards exact the same size and make sure they are all aligned
- To the upper right add sort by price, high to low & low to high
 - Recommended but not required
- **ITEM DETAIL PAGE**
 - This should be a pop-up or new tab
 - Add a “Cancel” button to the left
 - Change submit to “contact” or “send message”

DASHBOARD PAGE

- Add a “Welcome User”
- Combine Post Menu and Message Menu into one menu
- **POST MENU**
 - Make post clickable so that we can see the full information
 - Add a “delete” button to delete posts
- **MESSAGE MENU**
 - Add dates to messages
 - List the number of items

CREATE ACCOUNT PAGE

- Add CAPTCHA
- Add “All fields mandatory” to the upper right

LOGIN PAGE

- Add forgot password feature

CATEGORY Table

- Make sure that category pulldown bar is maintained by Category Table

CODE

- Add names to comments
